Things Are Blooming at Circle Center!

Thanks to the generosity of Genworth, in partnership with HandsOn Richmond, we now have a garden off of the day room in 4800 which is nearly complete!

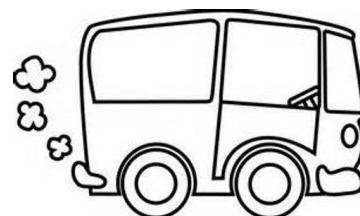

The volunteers of Genworth and HandsOn Richmond have unselfishly provided their hard work and skills to create a garden for the Center. It will contain beautiful plants, lovely bushes, and comfortable benches as well as a wheelchair friendly pathway. We are so grateful that we will now be able to utilize our little bit of green space for a quiet retreat! Thank you Genworth and HandsOn Richmond!!!

Transportation Reminder

If for some reason the morning transportation (A Leg) is canceled or you do not need the ride, please be sure to call the transportation company and schedule the afternoon ride (B Leg).

When the morning ride is canceled, the transportation company will automatically cancel for the return home. Make sure you make it home for dinner!

The Caregiver Spouse Support Group will meet on the 1st and 3rd Monday of each month 3p-4:30p with our Social Worker Caitlyn Patey. This month's meetings: July 2 & July 16

REMINDER FROM OUR DIETARY MANAGER

Our Dietary Manager, Dawn wants to remind all of our participants and families to drink plenty of water this summer! Our participants are welcome to bring a water bottle, labeled with their name, to the Center. We keep cool pitchers of water and cups in all of the activity rooms to

DO YOU PAY OUT OF POCKET FOR INCONTINENCE SUPPLIES?

Please talk with our social workers, Jay or Caitlyn, about incontinence products we have available at no cost.

ATTENDANCE REMINDER

It's vacation season! Because we hire staff and order food and supplies based on the amount of participants we are taking care of each day, it is very

important that we know if your loved one will not be at the Center on one or more of their scheduled days. If they have an appointment that **must** be scheduled on that day, or for some other reason are unable to attend the Center, please let us know with as much notice as possible.

Charges for care at Circle Center are based on the number of days **scheduled** each week, rather than the days **attended**, and are payable for the upcoming week by Friday. (If Medicaid pays for your services, you do not need to pay us directly unless you have a co-pay.) Participants are charged for days they are absent. Our policy is that payment is due prior to provision of services. Again, this allows us to plan ahead for meals and staffing. Also, if you plan to withdraw your loved one from the Center, you must give two week's notice. If you would like a statement or invoice each month, please call Stefanie at the Center.

These policies and procedures can be found in your Circle Center Participant Handbook!

A Note From Nursing

Circle Center is required to have copy of a signed and dated prescription for every medication we dispense (over-the-counter medicines included). To ensure that your loved one receives his/her new medication as ordered, please request that your loved one's physician fax a copy of the signed and dated order to

Circle Center at 804-358-3866.

REMINDER ABOUT SHOES

For your participant's safety, your loved one **must wear closed-toed shoes while at Circle Center.** Tennis shoes, loafers, flats and other durable closed-toed shoes are better for walking, exercising and preventing falls.

CAREGIVER SUPPORT GROUP

Join our social workers, Jay Burkhardt and Caitlyn Patey, for our monthly Caregiver Support Meeting.

The group meets the last Thursday of each month from 4:30p-6:00p.

This month's meeting will be held on **Thursday, July 26, 2018.**
